

Banners Loan Procedures

ANSM, in partnership with member museums and project partners, has developed a series of small traveling exhibits, which are available as follows:

- ANSM members and project partners may borrow an exhibit for up to three months, at no cost.
- Community organizations and educational institutions may borrow an exhibit for up to three months, at a cost of \$50. If this fee is a barrier, organizations are encouraged to reach out to ANSM to discuss.

Request Procedures

To request the exhibit, email admin@ansm.ns.ca or call 902-423-4677. Requests must include the name of the organization, primary contact individual, their email address and phone number, and the dates that the borrower would like the exhibit.

Borrowing Conditions

1. A loan agreement will be signed between the ANSM and the borrower.
2. The banners must be returned promptly at the end of the loan period unless a renewal agreement is reached.
3. The safe transportation of the banners to and from the ANSM office is the responsibility of the borrower.
4. The exhibit will be returned to the ANSM in the condition that they were originally borrowed.
5. In the event that a component of the exhibit is damaged or lost ANSM will be promptly notified.
6. ANSM reserves the right to recall the loan on short notice, if necessary. ANSM also reserves the right to cancel this loan for good cause at any time, and will make every effort to give reasonable notice thereof.
7. The banners will not be reproduced. Exceptions include photographs taken by the visiting public for personal use and photographs for promotional purposes that credit ANSM as the lender.
